"West of House

You are standing in an open field west of a white house, with a boarded front door.

There is a small mailbox here."

Your options are "open" the mailbox or "knock" on the door.

knock on the door and a shotgun blast comes through the door and kills you. Apparently this guy doesn't like solicitor's at his door and you are the unfortunate casualty.

Open the mailbox,

Owner of house comes out with shotgun asking you why you are looking through his mail.

options are "talk" your way out of it or "run"

talk your way out of it and he understands its a misunderstanding and tells you to get off his property.

"run" and he will be suspicious and shoot at you. Use random choice to decide if his aim is good.
